PRODUCT SPOTLIGHT

DATA ONE is a cloud-ready system that allows clients to acquire bankruptcy and deceased information for a particular customer without sending the customer's data outside of their IT environment.

Data One allows organizations to minimize financial, regulatory, and reputational exposure by enabling clients to control their own portfolio file processing.

Furthermore, the Data One system has been tested and successfully implemented at some of the largest financial institutions in the country. >>[LEARN MORE](#)

AIS is a professional services and technology company that reduces operating costs, improves compliance and mitigates risk through automation and highly skilled labor. Our clients see us as a "strategic partner" that manages the day-to-day work so our clients can focus on growing their business. We review processes, eliminate non-value adds, and help your teams work smarter and faster.

We build and deploy technology to automate and increase controls in your back-office. We recruit, train, and manage specialized human resources to meet your immediate staffing needs and increase your organizational bandwidth.

We equip decision makers with deep data sets and forward-thinking analytics so they can make smarter business decisions and create better customer experiences. We serve a variety of industries including banking, automotive finance, credit card, mortgage, insurance and telecommunications.

AIS warrants that it employs all reasonable endeavours to ensure that the supplied statistical reports are substantially complete and free of errors or defects. The user acknowledges that all information contained herein is derived from public record data and from time to time, errors may occur. InSight is a proprietary analytical report produced monthly by AIS. The supplied information will not be disclosed, recompiled, sold or traded, in whole or in part, to third parties unless prior written consent is obtained. AIS assumes no responsibility or liability for any decisions made as a result of using this report.
